Aaron Fite Brings Love of Jesus to the “Land of Smiles”

Because it is worth it for ‘the one’.

Now, I’m a realist. And if you are reading this article can envision me saying, “Can you believe it?” or “I never thought that would happen.”

But I do have the extraordinary privilege of being a part of a movement that is bringing freedom to thousands of people, all across the globe. A movement that is making a difference in the lives of women and girls whose stories and struggles I had only read about before.

I put on the Gear of God and traveled to Thailand to experience something for a little bit of a battle, but we know who wins in the end. The truth of the Gospel, the truth that Jesus is looking for in the world today.

In “Land of Smiles”

Yet part of being a Christ-follower means being willing to be used, being willing to be asked to do something for a greater purpose. I went to Thailand in February to be used in the call of God to sponsor 4 Compas again into their worst nightmare. From their sleep to be forced once again into their programs, which in certain places in the world, are to represent this ‘Land of Smiles’ as they often call Thailand.

In certain places in the world, the truth of God’s Word is being hidden behind a smile. “Smiles” were only superficial. Unseen healing and transformation are taking place, but to the one looking at it, it seems that it is all still as it was.

In a moment of prayer, I had a picture: a group photo at the Valentine’s After Party, with faces of girls obscured. A group photo at the Valentine’s After Party with faces of girls obscured.
